

Coloring Contest

The Seneca Regional Chamber of Commerce & Visitor Services is holding a Coloring Contest using the Tiffin Montage Prints. Community Creations and Bruce Loesch, artist created the Tiffin Montage Prints and are allowing their use for this fundraiser. There is no age limit. There are a limited number of prints available from the museums/art guild.

The participants may use one or all of the following: colored pencils, markers, chalk*, pastels, crayons. *Chalk must be sprayed with a fixative. Participants may not sign or put their name on the print until the judging is completed. Numbers will be posted on the back of the print until they are judged. Entries will be judged on their use of color, creativity and general overall appeal.

One will be selected as best of show and will receive \$100 Chamber Cash.

Participants have a long time to complete the project. The completed entry cannot be turned in early. Entries will be accepted from April 4th to April 7th. The entries should be turned at the Tiffin Art Guild during their regular business hours. A registration form will be filled in at that time.

The Tiffin Art Guild will host a Show for all entries with a Grand Opening Celebration for the show on April 12th. Entries will be on display at the museums and Tiffin Art Guild through May.
