### **Featured Speaker: The Director of the Ohio Entrepreneurship & Small Business Division**

**Iris Cooper**

Iris has worked in the financial service arena for over twenty-five years and is one of the top business leaders in the state of Ohio. She has provided financing programs for new and rehabilitated housing, commercial real estate and small business. She has developed an expertise in the management of a variety of projects for both non-profit and for profit businesses. She is currently the Director of the Entrepreneurship and Small Business Division, which provides supportive programs and services for all entrepreneurs in the state.

“Cool Solutions” is a cooperative project of the Tiffin University School of Business, Heidelberg University, and the Tiffin Area Chamber of Commerce. Students and Professors may register at the door. Friends, business leaders, and the community at-large register for this event by e-mailing the Chamber at: [dmartorana@tiffinchamber.com](mailto:dmartorana@tiffinchamber.com) or call 419-447-4141
